

The screenshot displays a detailed system log or diagnostic tool interface. At the top, there are several status indicators and labels, including 'iphone' and 'iphone1'. The main area is filled with a dense list of system components, each with a corresponding status icon (such as a checkmark or a warning symbol) and a numerical value. The components listed include various hardware modules like 'AppleMotionCoprocessor', 'AppleMotionFirmware', 'AppleMotionFirmware2', 'AppleMotionFirmware3', 'AppleMotionFirmware4', 'AppleMotionFirmware5', 'AppleMotionFirmware6', 'AppleMotionFirmware7', 'AppleMotionFirmware8', 'AppleMotionFirmware9', 'AppleMotionFirmware10', 'AppleMotionFirmware11', 'AppleMotionFirmware12', 'AppleMotionFirmware13', 'AppleMotionFirmware14', 'AppleMotionFirmware15', 'AppleMotionFirmware16', 'AppleMotionFirmware17', 'AppleMotionFirmware18', 'AppleMotionFirmware19', 'AppleMotionFirmware20', 'AppleMotionFirmware21', 'AppleMotionFirmware22', 'AppleMotionFirmware23', 'AppleMotionFirmware24', 'AppleMotionFirmware25', 'AppleMotionFirmware26', 'AppleMotionFirmware27', 'AppleMotionFirmware28', 'AppleMotionFirmware29', 'AppleMotionFirmware30', 'AppleMotionFirmware31', 'AppleMotionFirmware32', 'AppleMotionFirmware33', 'AppleMotionFirmware34', 'AppleMotionFirmware35', 'AppleMotionFirmware36', 'AppleMotionFirmware37', 'AppleMotionFirmware38', 'AppleMotionFirmware39', 'AppleMotionFirmware40', 'AppleMotionFirmware41', 'AppleMotionFirmware42', 'AppleMotionFirmware43', 'AppleMotionFirmware44', 'AppleMotionFirmware45', 'AppleMotionFirmware46', 'AppleMotionFirmware47', 'AppleMotionFirmware48', 'AppleMotionFirmware49', 'AppleMotionFirmware50', 'AppleMotionFirmware51', 'AppleMotionFirmware52', 'AppleMotionFirmware53', 'AppleMotionFirmware54', 'AppleMotionFirmware55', 'AppleMotionFirmware56', 'AppleMotionFirmware57', 'AppleMotionFirmware58', 'AppleMotionFirmware59', 'AppleMotionFirmware60', 'AppleMotionFirmware61', 'AppleMotionFirmware62', 'AppleMotionFirmware63', 'AppleMotionFirmware64', 'AppleMotionFirmware65', 'AppleMotionFirmware66', 'AppleMotionFirmware67', 'AppleMotionFirmware68', 'AppleMotionFirmware69', 'AppleMotionFirmware70', 'AppleMotionFirmware71', 'AppleMotionFirmware72', 'AppleMotionFirmware73', 'AppleMotionFirmware74', 'AppleMotionFirmware75', 'AppleMotionFirmware76', 'AppleMotionFirmware77', 'AppleMotionFirmware78', 'AppleMotionFirmware79', 'AppleMotionFirmware80', 'AppleMotionFirmware81', 'AppleMotionFirmware82', 'AppleMotionFirmware83', 'AppleMotionFirmware84', 'AppleMotionFirmware85', 'AppleMotionFirmware86', 'AppleMotionFirmware87', 'AppleMotionFirmware88', 'AppleMotionFirmware89', 'AppleMotionFirmware90', 'AppleMotionFirmware91', 'AppleMotionFirmware92', 'AppleMotionFirmware93', 'AppleMotionFirmware94', 'AppleMotionFirmware95', 'AppleMotionFirmware96', 'AppleMotionFirmware97', 'AppleMotionFirmware98', 'AppleMotionFirmware99', 'AppleMotionFirmware100'. The bottom right corner of the screenshot shows a small table with two columns, one containing numerical values and the other containing text labels.
